

**Health & Safety Notice**  
**Use of Tools**

**If you do not have the skills to use the tools safely - please ask for help**

**You must use adequate Personal Protective Equipment  
(e.g. eye, ear protection and gloves)**

**Check the condition of the tool - if it is visibly damaged do not use it**

**Check whether a safety guard should be fitted and if so it is fitted correctly**

**Check that any attachment (e.g. drill bit, blade) is fitted correctly.**
