

HYC Regulations due to Coronavirus

In order to help maintain government national restrictions the following HYC Regulations apply at HYC Havens until further notice:

1. **HYC Havens are closed to all members**, except for the following specific cases:

- Those that permanently live aboard their boat as their primary residence (with access to the clubhouse only permitted for use of toilet facilities)
For awareness, any such member is required to notify the HYC GC
(Note, government national restrictions prohibit overnight stays away from your primary residence)
- Local members that can visit as part of their outdoor exercise, but only for the purpose of checking the safety/security of property

These HYC Regulations will be updated as necessary to maintain alignment with the latest government rules

*Issued by: HYC General Committee
Rev 9 5th November, 2020*
